

South Africa

Whether you're looking for a, a cultural immersion, a culinary escape, wildlife adventure, South Africa has it for you. Often referred to a world in one country

WHAT CAN IS SEE?

- Johannesburg and Soweto, the pulsating City of Gold, offers a dazzling array of attractions
- The Kruger National Park and surrounding private game reserves for an iconic wildlife safari
- Mpumalanga is home to Kruger, however has much more to offer visitors besides the wildlife, including the spectacular scenic Panorama Route
- Madikwe and Pilanesberg Game Reserves, the Waterberg and Eastern Cape reserves for malaria-free safaris
- Durban is a fun-loving city known for its gorgeous sun-kissed beaches along the Indian Ocean
- A World-Heritage site, the uKhahlamba-Drakensberg offers awe-inspiring natural beauty in its gigantic mountain peaks and buttresses
- The remote Northern Cape, known for its wildflower displays in spring, the Auwabies Falls, Kgalagadi Transfronteir Park and bushmen
- Cape Town offers visitors a combination of coastal charm, history and artistic urban sophistication
- Table Mountain, Cape Town's landmark and one of the Natural Wonders of the World
- The Cape Winelands – Stellenbosch and Franschhoek are the most well-know, but there are another 12 wine routes in the Western Cape with a reported 800-1000 different wineries to explore
- The Garden Route, with its charming seaside villages, mountains, beaches, forests and myriad of activity opportunities
- Marine activities such as shark cage diving, whale watching and swimming with seals and penguins

BEST TIME TO GO?

South Africa boasts one of the best climates in the world and is famed for its eternal sunshine.

October to February is the summer months and is characterised by sunny days with afternoon thunderstorms on the high-veld.

March through April is autumn, days are warm and sunny although nights tend to get a bit cooler.

May through July is the winter months, characterized by dry and sunny days but cold nights. Some parts of the country get to experience a light snow fall with rainy days.

August to October is spring, offering a mild climate, and is undoubtedly the best time for game viewing.

From the spectacular Cape to the world-famous Kruger National Park with its Big 5, South Africa offers you not only a wildlife adventure but also a cultural immersion of what makes this country so great.
